

CLÉMENT GOUPILLE

This will be a true immersion into the artistic world of Nathalie Béasse, in the company of Clément Goupille, her long-standing artistic collaborator. As a performer who has worked with Nathalie Béasse for over 10 years, Clément Goupille will guide participants, drawing on his own experience, as they explore the poetry, language and artistic universe of Nathalie Béasse. He will also accompany the group on stage to instil a sense of movement, direction and energy that will enable them to engage with the elements Nathalie Béasse develops on stage. He will also be present off stage to assist her.
